VISITOR EARNINGS & REMITTANCES REPORT April 2019

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Revenue.

Report No.10: 2018/19

April 2019

Visitor Arrivals

Total visitor arrivals rebounded by 33.2 percent to 14,413 visitors over the same month last year and was 29.1 percent higher when compared to the previous month.

Some of the highlights for the month under review included the launching of the Chinese-Pacific Tourism Year 2019 in Samoa as well as the Easter and ANZAC holidays.

By country, the increase in visitor arrivals over the same month last year was due to expansions in visitors from:

- New Zealand (up 1,883 visitors)
- Australia (up 1,255 visitors)
- Other Countries (up 269 visitors)
- American Samoa (up 210 visitors)

For arrivals by purpose of visit, the bulk of this expansion came from those who were here for:

- Visiting Families and Relatives (VFR) (up 1,906 visitors)
- Holiday (up 1,431 visitors)
- Business and Conference (up 193 visitors)
- Sport (up 20 visitors)

Furthermore, total arrivals in the first ten months of 2018/19 rose 11.2 percent (to 148,807 visitors) above the same period in 2017/18. This expansion was mainly due to gains in the number of visitors from Samoa's main source markets such as New Zealand (up 6,549 visitors), Australia (up 6,493 visitors), Europe (up 1,249 visitors), Other Countries (up 947 visitors) and USA (up 324 visitors). In addition, visitors such as VFR, Others and Sports increased by 13,372 visitors, 1,570 visitors and 75 visitors respectively during the review period.

As a result of a 7.1 percent hike in the average visitor expenditure over April 2018, **total visitor receipts** improved by \$13.1 million (or 42.7 percent) to \$43.8 million and was also \$10.8 million (or 32.8 percent) higher than in the month ago.

Total visitor receipts in the first ten months of 2018/19 expanded by 15.8 percent to \$424.0 million over the same period of last year. Underpinning this overall increase were higher visitor earnings from Australia (up \$24.3 million), New Zealand (up \$24.0 million), Other Countries (up \$6.2 million), the USA (up \$1.7 million), Europe (up \$1.3 million) and American Samoa (up slightly by \$0.6 million). Proceeds from visitors that were here for 'VFR', 'Others', 'Holiday' and 'Sport' all rose by \$51 million, \$7.9 million, \$0.7 million and \$0.3 million in that order.

The **tourism price index** was 1.0 percent higher than its level in April 2018 due to increases in 'Accommodation', 'Meals and Drinks', 'Car Rentals', Family Obligations' and 'Miscellaneous' sub-indices.

Private Remittances

Total private remittances edged down by 0.8 percent to \$41.55 million over April 2018 and was 25.3 percent lower than the previous month.

The reduction in private remittances was accounted for by both decreases in funds from USA (down by

VISITOR EARNINGS & REMITTANCES REPORT

\$4.69 million) and Australia (down by \$2.78 million). By recipients, decreases were recorded for 'Hand carried cash' (down by \$2.24 million) and 'Nonprofit institutions serving households' (NPISH) (down by \$2.15 million).

However, total inflow of private remittances in the first ten months of 2018/19 grew by 13.4 percent to \$452.06 million over same period of 2017/18. By country, increases were noted from New Zealand (up \$14.73 million), Australia (up \$8.79 million) and 'Other' countries (up \$6.85 million). In addition, transfers from USA and American Samoa both rose by \$19.23 million and \$3.73 million respectively. This was also aided by a 3.8 percent depreciation of Samoan Tala against the US dollar. In terms of recipients, total funds for 'Family and Households', 'Hand carried cash', 'NPISH', 'Others' and 'In Kind' all rose by \$20.4 million, \$15.0 million, \$10.7 million, \$4.0 million and \$3.2 million respectively. The monthly share of remittances inflows received through Money Transfer Operators (MTO's) improved to 83.2 percent from 77.5 percent in April 2018 while those received through commercial banks fell to 16.8 percent from 22.5 percent in the same month last year.

The **average cost of sending** NZD\$200.00 to Samoa contracted to 13.28 percent from 13.71 percent in April 2018 while the average cost of sending AUD\$200.00 to Samoa also decreased to 7.94 percent from 9.30 percent in April of the previous year.

CENTRAL BANK OF SAMOA 31th May 2019
