# VISITOR EARNINGS & REMITTANCES REPORT June 2019

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Revenue.

## Report No.12: 2018/19

## June 2019

## Visitor Arrivals

Total Visitor Arrivals decreased by 0.8 percent (or 123 visitors) to 16,192 visitors compared to the same month last year despite an increase of 19.4 percent (or 2,627 visitors) over the previous month.

Highlights of June 2019 that could have contributed to the current level of tourist arrivals included the 57<sup>th</sup> Independence Day Celebrations, Marist Sevens Rugby Tournament and the 44<sup>th</sup> Pacific Maritime Transport Alliance (PMTA) annual conference.

By country, the overall reduction over the year ago was underpinned by decreases in visitors from:

- New Zealand (down 1030 visitors)
- Europe (down 234 visitors)
- American Samoa (down 162 visitors)
- The USA (down 33 visitors)

By purpose of the visit, the drop in the number of visitors was recorded for those who were here for:

- Visiting Families and Relatives (VFR) (down 2402 visitors)
- Others (down 412 visitors)

Nevertheless, total arrivals for the twelve months to end June 2019 was 9.3 percent higher to 178,564 visitors over the same period last year. This increase was underpinned by higher arrivals from Australia (up 7,827 visitors), New Zealand (up 4,987 visitors), Other Countries (up 2,235 visitors), Europe (up 876 visitors) and USA (up 178 visitors). By purpose, a notable expansion was recorded for 'VFR' (up 8,515 visitors), 'Holiday' (up 4,152 visitors), 'Others' (up 2,048 visitors), 'Business and Conference' (up 426 visitors) and 'Sports' (up 100 visitors).

Total visitor receipts recorded a slight increase of 1.2 percent (or \$0.5 million) to \$44.5 million over June 2018, partially due to a 2.0 percent increase in the average expenditure. However, when compared to the previous month, the current level of visitor receipts was lower by 2.4 percent.

Total visitor receipts in the twelve months to June 2019 increased by 13.2 percent (or \$59.8 million) to \$514.1 million over the twelve months last year. Largely responsible for this improvement were higher visitor earnings from Australia (up \$28.5 million), New Zealand (up \$19.2 million), Other Countries (up \$10.7 million), USA (up \$1.1 million) and Europe (up \$1.0 million). Proceeds from visitors that were here as 'VFR' (up \$35.8 million), 'Holiday' (up \$14.1 million), 'Others' (up 7.9 million), 'Business and Conference' (up \$1.7 million) and 'Sport' (up \$0.3 million).

The tourism price index fell by 0.5 percent over June 2018 due to decreases in 'Meals & Drinks' (down 3.3 percent) and 'Car Rentals' (down 0.3 percent) subgroups.

## Private Remittances

Total Private Remittances recorded a 7.4 percent (or \$3.0 million) increase to \$43.2 million over the year but was 11.4 percent less than the previous month.

# VISITOR EARNINGS & REMITTANCES REPORT

The rise in private remittances over the year was accounted for by increases in receipts from 'Other countries' (up 24.6 percent), USA (up 14.7 percent), New Zealand (up 12.8 percent) and Australia (up 5.2 percent). By recipient, funds for 'Others' rose by \$3.3 million, 'In Kind' (up \$2.7 million) and 'Family and Household' (up \$2.1 million).

Total inflow of private remittances in the twelve months of 2018/19 grew by 11.4 percent (or \$55.6 million) to \$543.9 million when compared to the same period last year. Underpinning this expansion were higher transfers from New Zealand (up \$18.4 million), USA (\$16.1 million), Others (up \$8.8 million), Australia (up \$8.7 million) and American Samoa (up \$3.7 million). Also partially responsible for the expansion in private remittances was the 3.8 percent depreciation of the Samoan tala against the US dollar. In terms of recipients Family and Households increased by 24.1 percent, Others (up 10.0 percent), Non-profit institutions serving households (NPISH) (up 7.5 percent), 'In Kind' (up 7.2 percent), and 'Hand carried cash' (up 6.9 percent) transfers.

The monthly share of remittances inflows received through Money Transfer Operators (MTO's) fell to 77.6 percent from 80.3 percent in June 2018 while those received directly through commercial banks edged up to 22.4 percent from 19.7 percent in the same month last year.

The average cost of sending NZD\$200.00 to Samoa increased to 12.35 percent from 11.15 percent in June 2018 while the average cost of sending AUD\$200.00 to Samoa also rose to 6.28 percent from 5.77 percent in June 2018.

CENTRAL BANK OF SAMOA 31<sup>th</sup> June 2019
