PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT DECEMBER 2019

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry for Revenue.

Report No.6: 2019/20 December 2019

Visitor Arrivals

Total Visitor Arrivals recorded a decline of 24.1 percent (or 5,791 visitors) to 18,230 visitors over December 2018 but substantially increased by 53.1 percent (or 6,323 visitors) to reflect the seasonal monthly increase over the previous month.

The decrease in the monthly number of visitors over the previous year was due mainly to the declaration of the state of emergency by Samoa on the measles outbreak.

By Country, the monthly decline in arrivals over the year was due to a fall in the number of visitors from:

- New Zealand (down 2,342 visitors)
- American Samoa (down 1,978 visitors)
- Australia (down 1,558 visitors)
- USA (down 232 visitors)
- Europe (down 159 visitors)

For arrivals by purpose of visit, the bulk of this reduction came from:

- Visiting Families and Friends (VFR) (down 3,569 visitors)
- Holiday (down 1,869 visitors)
- Other (down 566 visitors)
- Sport (down 74 visitors)
- Business and Conference (down 16 visitors)

However, total visitor arrivals in the first six months of 2019/20 improved by 2.6 percent (or 2,597 visitors) to 103,029 visitors compared to the same period in 2018/19. This increase was mainly due to gains in the number of visitors from Other Countries

(up 8,002 visitors) and USA (up 329 visitors). Furthermore, visitors that were here for 'Sport', 'Business and Conference' and 'Other' rose by 4,716 visitors, 2,355 visitors and 480 visitors respectively.

Despite the slight increase in the average visitor expenditure over December 2018, total visitor receipts declined by 21.1 percent (or \$15.0 million) to \$55.8 million but was 14.4 percent (or \$16.3 million) higher than the previous month.

Total Visitor Receipts in the first six months of 2019/20 recorded an increase of 4.8 percent or \$13.9 million to \$301.6 million over the same period of 2018/19. Primarily underpinning this increase was higher earnings from Other Countries (up \$27.6 million) and USA (up \$0.8 million). Proceeds from visitors such as 'Sport', 'Business and Conference' and 'Holiday' all rose by \$16.0 million, \$8.3 million and \$1.0 million respectively.

The tourism price index was 1.5 percent higher than the same month last year due to gains in 'Meals and Drinks', 'Family Obligations' and 'Miscellaneous' sub-indexes.

Private Remittances

Total private remittances fell further by 13.7 percent to \$57.2 million over December 2018 but higher by 35.3 percent or \$15.0 million when compared to the previous month.

By Country, reductions in private remittances were recorded for the USA (down by \$4.5 million), Australia (down by \$3.4 million), New Zealand

December 2019

VISITOR EARNINGS & REMITTANCES REPORT

(down by \$2.0 million) and American Samoa (down by \$0.06 million) in which they all contributed to the overall decrease in the total private remittances over the year. By recipient, 'Family and Households', 'Hand Carried Cash' and 'Others' all decreased by \$7.5 million, \$1.4 million and \$0.7 million in that order.

Overall, the total inflow of private remittance in the first six months of 2019/20 increased by 2.0 percent (or \$5.5 million) to \$280.6 million over the year. Largely responsible for this increase in the first six months were gains in transfers from American Samoa (up 13.8 percent) (partially assisted by a 2.3 percent appreciation of US dollar against the Samoan Tala), New Zealand (up 7.7 percent) and Others (up 2.0 percent). By recipient, total funds for 'Non- Profit Institutions Serving Households (NPISH)', 'In kind' and 'Family and Households' all rose by 40.9 percent, 6.6 percent and 4.4 percent respectively.

The share of remittances inflows coming through money transfer operator (MTO's) fell to 84.5 percent from 85.1 percent in the same period last year while those that came through the banking system edged up to 15.5 percent from 14.9 percent in December 2018.

The average cost of sending NZD\$200.00 to Samoa fell to 8.21 percent from 9.34 percent in December 2018 while the average cost of sending AUD\$200.00 to Samoa for the same month also fell to 7.12 percent from 8.81 percent last year.
