# VISITOR EARNINGS & REMITTANCES REPORT June 2020

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry for Revenue.

Report No.12: 2019/20

June 2020

### **Visitor Arrivals**

While the coronavirus (Covid-19) pandemic is now the defining global health crisis of our time, Samoa continues to remain COVID free with repatriation flights still continuing. Tourist Arrivals for the month of June continued to record no tourist arrivals and visitors' earnings.

Total tourist arrivals and earnings in the first twelve months of 2019/20 remained unchanged at 124,399 people and \$375.26 million respectively over the same period last year. The Tourism price index fell further by 21.6 percent over the same month last year due to the significant decrease in the 'Accommodation' sub index.

### **Private Remittances**

Total Private Remittances recorded a 28.1 percent increase (or \$11.4 million) to \$52.1 million compared to the same month last year but fell by 10.8 percent (or \$6.3 million) over the previous month.

This improvement was accounted for by increases in funds received from Australia (up \$4.9 million), New Zealand (up \$4.7 million) and American Samoa (up \$3.6 million) respectively. By recipient, an increase was recorded for 'Family and Households' (up \$18.9 million) offsetting the decreases in 'Hand carried cash', 'Others', 'NPISH' (Non-profit institutions serving households) and 'In Kind'.

In the first twelve months of 2019/20, total private remittances edged up by \$26.4 million (or 4.9 percent) to \$563.8 million over the same period of 2018/19. By country, New Zealand, American Samoa and Australia increased by \$22.1 million, \$11.3 million and \$3.2 million in that order. Partially responsible for this increase was the 3.0 percent depreciation of the Samoan Tala against the US dollar. By recipient, total funds for 'Family and Households' and 'In Kind' improved by \$54.0 million and \$2.1 million respectively.

The share of total remittances inflows received through Money Transfer Operators (MTO's) increased from 76.3 percent in June 2019 to 90.9 percent while those received directly through commercial banks fell to 9.1 percent from 23.7 percent in the same month last year.

The average monthly cost for sending NZD\$200.00 to Samoa fell to 10.56 percent from 12.35 percent while the average cost of sending AUD\$200.00 rose to 9.31 percent from 7.99 percent.

CENTRAL BANK OF SAMOA 05 August 2020

### June 2020
