PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT July 2020

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry for Revenue.

Report No.1: 2020/21 July 2020

Visitor Arrivals

As Samoa continues to have no case of COVID-19, this unprecedented global crisis will definitely be a part of the history books due to its deadly effect on the world as a whole. The prolonged closure of our international borders for the safeguarding and protection of our people with repatriation flights still in operation has continued to severely affect our tourism sector recording no tourist arrivals and earnings for the month of July.

Given the current situation, the tourism price index fell further by 29.0 percent over the year due to decreases in 'accommodation' (down by 46.6 percent), 'other transportation' (down by 13.8 percent), 'family obligations & miscellaneous' (both down by 3.3 percent) and 'meals and drinks' (down by 1.4 percent) sub-indices.

Private Remittances

Total inflows of private remittances increased by 2.6 percent (or \$1.4 million) to \$54.9 million over the year and was 5.3 percent (or \$2.8 million) higher when compared to the previous month.

Responsible for this increase were higher transfers from Australia (up by \$5.9 million), New Zealand (up by \$2.4 million) and American Samoa (up by \$1.6

million). Partially responsible for this increase was the depreciation of the Samoan Tala against both the Australian dollar by 1.0 percent and the US dollar by 0.5 percent. By recipient, 'Family and Households' category recorded an increase of \$17.2 million, outweighing decreases in 'Hand carried cash', 'NPISH (Non-profit institutions serving households)', 'Others' and 'In Kind' transfers.

The monthly share of remittances inflows received through Money Transfer Operators (MTO's) expanded to 92.9 percent from 78.7 percent in July 2019 while those received through commercial banks fell to 7.1 percent in July 2020 from 21.3 percent in July 2019.

The average monthly cost of sending NZD\$200.00 to Samoa fell from 12.30 percent to 10.33 percent while the average cost of sending AUD\$200.00 also fell to 8.90 percent from 9.09 percent over the year.

CENTRAL BANK OF SAMOA 04 September 2020

July 2020
