PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT September 2020

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry for Revenue.

Report No.3: 2020/21 September 2020

Visitor Arrivals

With the continuing spread of the Covid-19 pandemic worldwide, there is solidarity among governments to not only try to suppress and eliminate the virus completely but at the same time protect their citizens by implementing lockdowns. The continued closure of Samoa's international borders with the exceptions of scheduled repatriation flights for only returning Samoan citizens, therefore both tourist arrivals and earnings remained at zero for the month of September.

Nonetheless, the tourism price index fell by 19.5 percent compared to September 2019 due to sharp reductions in 'Accommodation', 'Other Transportation', 'Meals and Drinks', 'Family Obligations' and 'Miscellaneous' sub-indices.

Private Remittances

Total private remittances recorded a 30.4 percent increase (or \$11.7 million) to \$50.0 million when compared to September 2019 but was 8.4 percent (or \$4.6 million) lower than the previous month.

Despite adverse impacts of COVID-19 in Samoa's main source markets of private remittances, the overall increase over the year came from increased funds received from Australia (up \$5.8 million), New Zealand (up \$3.5 million), American Samoa (up \$1.8 million) and Others (up \$1.1 million) respectively. By recipient, increases were recorded for 'Family and Households', 'Non-profit institutions serving

households' (NPISH), and In Kind by \$16.8 million, \$1.4 million and \$1.0 million in that order.

Similarly, total inflow of private remittances in the first three months of financial year (FY) 2020/21 improved by 14.8 percent (or \$20.6 million) to \$159.4 million over the same period last year. Largely responsible for the overall increase in the first three months were higher transfers from Australia (up \$16.8 million), New Zealand (up \$7.5 million) and American Samoa (up \$5.3 million). By recipient, total funds for 'Family and Households' and 'In Kind' increased by \$46.8 million and \$0.7 million respectively.

The monthly share of remittances inflows received through Money Transfer Operators (MTO's) increased to 89.8 percent from 84.9 percent in September 2019 while those received directly through commercial banks fell to 10.2 percent from 15.1 percent.

The average monthly cost of sending NZD\$200.00 to Samoa fell further to 10.35 percent from 11.96 percent in September 2019 while the average cost of sending AUD\$200.00 also fell to 8.36 percent from 8.52 percent over the year.

CENTRAL BANK OF SAMOA 02 November 2020

September 2020
