PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT March 2021

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry for Revenue.

Report No.9: 2020/21

March 2021

Visitor Arrivals

The prolonged closure of Samoa's international borders for the purpose of safeguarding and protection of its people from the deadly Covid-19 pandemic with the exception of repatriation flights for returning Samoan citizens only, has continued to adversely affect the tourism industry. In this regard, there were no tourist arrivals and earnings recorded for the last twelveth consecutive months.

Remittances

Total remittances for March 2021 improved by 9.0 percent (or \$4.2 million) to \$51.1 million when compared to the same month last year and was also 23.4 percent higher (or \$10.0 million) than February 2021.

This improvement over the year was accounted for by increases in funds received from 'Other' countries (up by \$10.1 million), American Samoa (up by \$1.7 million) and Australia (up by \$1.4 million) respectively. By recipient, an increase was recorded for 'Family and Households' (up by \$7.0 million), 'Non-profit institutions serving households' (NPISH) (up by \$0.5 million) and 'In Kind' (up by \$0.1 million), offsetting decreases in "Hand carried cash' and 'Others'. In the first nine months of 2020/21, total private remittances was 9.0 percent (or \$37.0 million) higher at \$457.0 million over the same period of 2019/20. Accounting for this increase were gains in transfers from Australia (up by \$28.3 million), American Samoa (up by \$14.4 million) and New Zealand (up by \$12.9 million) in that order. This increase was partially aided by the depreciation of the Samoan Tala against both the Australian dollar (by 5.0 percent) and New Zealand dollar (by 3.0 percent). By recipient, remittances for 'Family and Households' rose by \$111.0 million, offsetting reductions in all other recipients.

The monthly share of total remittances inflows received through Money Transfer Operators (MTO's) increased from 79.5 percent in March 2020 to 90.5 percent in March 2021 while those received directly through commercial banks fell to 9.5 percent from 20.5 percent in the same month last year.

CENTRAL BANK OF SAMOA 12th May 2021
