VISITOR EARNINGS & REMITTANCES REPORT MAY 2021

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry for Revenue.

Report No.11: 2020/21

May 2021

Visitor Arrivals

As the Covid-19 pandemic continues to wreak havoc all over the world, Samoa maintains the closure of its international borders (for more than a year now), allowing only intermittent repatriation flights for returning citizens. However, this has severely affected the tourism sector. As such, there continues to be no tourist arrivals and earnings for the month.

Remittances

Total private remittances recorded a drop of 8.6 percent (or \$5.0 million) to \$53.3 million over May 2020 but was 23.0 percent (or \$9.9 million) higher than the previous month.

The decrease in private remittances over the year was accounted for by reductions in funds from 'Australia' (down by \$9.1 million) and 'Others' (down by \$0.4 million) whereas by recipient, reductions were also recorded for 'Family and Households' (down by \$8.9 million), and 'Others' (down by \$0.5 million).

Nevertheless, total private remittances in the first eleven months of financial year (FY) 2020/21 went up by 7.7 percent (or \$39.7 million) to \$555.1 million over the same period last year. Accounting for this increase in the first eleven months were higher transfers from Australia (up by \$20.9 million), New Zealand (up by \$19.9 million) and American Samoa (up by \$17.3 million). This increase was partially aided by the depreciation of the Samoan Tala against both Australian dollar (by 5.8 percent) and New Zealand dollar (by 3.9 percent). As for recipients, total funds for 'Families and Households' increased by \$109.9 million in the first eleven months of FY2020/21.

The monthly share of total remittances inflows received directly through Money Transfer operators (MTO's) decreased to 86.4 percent from 92.5 percent in May 2020 whilst funds received directly through commercial banks increased to 13.6 percent from 7.5 percent in May 2020.

The shift of SendMoneyPacific from a free website to a paid one has led to our inability for the second month to publish the costs of sending both AUD and NZD for this month but we will inform you accordingly, once possible.

> CENTRAL BANK OF SAMOA 30th June 2021
