PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT APRIL 2023

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.10: 2022/23 April 2023

Visitor Arrivals¹

Total number of **visitor arrivals** increased by another 35.5 percent (or 3,592 visitors) to a total of **13,720 visitors** over the previous month.

Contributing to the higher number of arrivals in the current month were increased visitor arrivals from New Zealand (up by 1,766 visitors), Australia (up by 1,440 visitors), American Samoa (up by 182 visitors) Europe (up by 114 visitors) and USA (up 103 visitors). By purpose of visit, the bulk (of 2,209 arrivals) continued to be our overseas diaspora "Visiting Friends and Relatives" (VFR), while 1,781 travelled for "Holiday" and 218 visitors for "Sports" events hosted in the country.

As a result, total international visitor receipts surged further by 41.2 percent (or \$14.2 million) to \$48.7 million over March 2023. Largely responsible for this increase were higher visitor earnings from New Zealand (up \$7.9 million), Australia (up \$5.7 million) American Samoa (up \$1.50 million) with marginal increases in tourism earnings from Europe and 'Other countries' by \$0.1 million and 0.8 million respectively. By purpose, proceeds from visitors that were here for VFR, Holiday and Sport, increased by \$10.6 million, \$6.1 million and \$0.7 million respectively.

Moreover, total tourism earnings in the first ten months of FY2022/23² amounted to \$302.1 million. In terms of source markets, those from New Zealand accounted for 45.0 percent of total tourism receipts, Australia at 29.8 percent, 'Other countries' at 10.9

percent, USA at 7.6 percent, American Samoa at 6.0 percent and Europe at 0.7 percent. By purpose of visit, the shares recorded from 'VFR', 'Holiday', 'Other', 'Business and Conference', and 'Sport' were at 49.3 percent, 28.9 percent, 14.9 percent, 6.3 percent and 0.6 percent in that order.

Remittances

Total inflow of private remittances for the month under review recorded a reduction of 23.0 percent (or \$15.0 million) to \$50.0 million when compared to the previous month and was also 14.3 percent lower over the same period last year.

The contraction in remittances over the previous month was due entirely to declines in funds received from all its main markets such as Australia (down by \$7.0 million), New Zealand (down by \$5.5 million), American Samoa (down by \$1.2 million), 'Others' (down by \$0.7 million) and USA (down by \$0.6 million). By recipients, lower funds were noted for 'Family and households', 'Non-profit institution serving households' (NPISH)³ and 'In-kind' transfers by \$14.0 million, \$1.8 million and \$0.3 million respectively.

Despite the drop in April 2023, total inflow of remittances for the **first ten months of the FY2022/23** were higher by **15.2 percent (or \$90.3 million)** to \$682.9 million over the same period last year. The overall increase reflected hikes in remittance flows from Australia (by \$36.8 million), New Zealand (by \$35.8 million), USA (by \$14.7 million) and American Samoa (by \$3.3 million. Partially responsible for the increase in the latter two markets was the 5.1 percent depreciation of the Samoan tala against the US dollar. In terms of

¹ Samoa re-opened its border to international travelers on 1st August 2022. Cruise ship tourists are not counted as tourist as they are only in Samoa for a day but their spending is included as part of tourist earnings.

² Including July 2022 when Samoa was still in lockdown.

³ Includes funds for churches, non-profit organizations and charities

April 2023

VISITOR EARNINGS & REMITTANCES REPORT

recipients, 'Family and households', 'banknotes' and 'In-kind' all recorded gains of \$49.2 million, \$44.0 million and \$0.03 million respectively.

The monthly share of total remittances received through Money Transfer Operators (MTOs) fell to 80.4 percent from 84.5 percent compared to the same month a year ago while funds received through commercial banks went up to 19.6 percent from 15.5 percent.

The average monthly cost of sending NZD\$200.00 to Samoa narrowed to 7.17 percent of total funds from 8.13 percent of the same month in the previous year whereas the average cost of sending AUD\$200.00 to Samoa edged up to 6.89 percent from 5.97 percent in April 2022.
