PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

## VISITOR EARNINGS & REMITTANCES REPORT DECEMBER 2021

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

#### *Report No.6: 2021/22*

#### December 2021

### Visitor Arrivals

The prolonged closure of Samoa's international borders mainly for safeguarding and protecting of its people from the COVID-19 pandemic permitting scheduled repatriation flights for returning citizens only, has continued to severely affect the tourism industry. Therefore, tourist arrivals and earnings for the first six months of 2021/2022 to December 2021, remained at zero.

### **Remittances**

Total inflow of remittances recorded a seasonal increase of 35.9 percent (or \$20.9 million) to \$79.0 million over the same month in 2020 and was 16.4 percent (or \$11.1 million) higher than the previous month in light of end of year festive season.

Despite the adverse effects of COVID-19 on Samoa's main source markets for remittances, the boost in overall monthly remittances over the same month last year was due to hikes in funds received from all its main sources; New Zealand (up by \$8.9 million), Australia (up by \$8.8 million), American Samoa (up by \$2.1 million) and United States (up by \$1.9 million). By recipient, the increase came from higher funds for 'Family and Households' (up by \$20.9 million), "Others' (up by \$1.1 million), 'Hand carried cash' (up by \$0.4 million) and 'In Kind' (up by 0.2 million).

Similarly, total inflow of remittances in the first six months of financial year FY2021/2022 expanded by 17.4 percent (or \$56.3 million) to \$380.3 million compared to the same period in FY2020/2021.

Accounting for this increase were higher transfers from Australia (up by \$26.5 million), New Zealand (up by \$20.3 million), United States (up by \$11.4 million) and American Samoa (up by \$3.8 million). By recipient, higher funds were recorded for 'Families and Households', (up by \$62.6 million), 'In Kind' (up by \$2.7 million) and 'Others' (up by \$0.04 million) offsetting reductions in "Non-profit Institutions Serving Households" (NPISH) (down by \$7.5 million) and "Hand carried cash" (down by \$1.6 million) respectively.

The monthly share of total remittances inflows received directly through Money Transfers operators (MTO's) contracted to 85.6 percent from 90.5 percent in December 2020 whilst funds received through commercial banks rose to 14.4 percent from 9.5 percent last year.

The average monthly cost of sending NZD\$200.00 to Samoa contracted to 8.05 percent of total funds from 10.27 percent in December 2020. Similarly, the average cost of sending AUD\$200.00 to Samoa also dropped to 6.00 percent from 8.46 percent over the year.

CENTRAL BANK OF SAMOA 15 February 2022
