PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT JANUARY 2023

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.7: 2022/23

Visitor Arrivals¹

Following the peak period during the festive season in the previous month, total **visitor arrivals** fell by a seasonal 26.6 percent (or 4,458 visitors) to a total of **12,321 visitors**.

The decrease in visitor arrivals over December 2022 was mainly due to contractions in visitors from Australia (down by 2,572 visitors), New Zealand (down by 939 visitors), American Samoa (down by 585 visitors) and USA (down by 485 visitors). By purpose, reductions were noted for 'Visiting Friends and Relatives (VFR) (down by 2,817 visitors) and 'Holiday' (down by 1,976 visitors).

As a result, total visitor receipts narrowed by 33.0 percent (or \$18.2 million) to \$36.9 million when compared to the previous month. Largely responsible for this decrease were dropped in visitor earnings from Australia (down by \$10.6 million), New Zealand (down by \$2.6 million), USA (down by \$2.1 million), American Samoa (down by \$2.0 million) and 'Other Countries' (down by \$0.8 million). By purpose, proceeds from VFR, Holiday and 'Others' all fell by \$10.3 million, \$5.3 million and \$3.0 million.

In the first seven months of FY2022/23², total tourism earnings amounted to \$194.2 million. By country, New Zealand was the main source country with 46.7 percent, followed by Australia at 29.5 percent, USA (at 7.6 percent) and 'Other Countries' (at 10.0 percent). American Samoa and Europe recorded shares of 6.0 percent and 0.6 percent

respectively. By purpose of visit, 'VFR', 'Holiday', 'Others', 'Business and Conference' and 'Sports' recorded shares of 53.7 percent, 27.1 percent, 12.5 percent, 6.5 percent and 0.3 percent in that order.

Remittances

Total inflow of remittances expanded by 24.9 percent (or \$10.9 million) to \$55.1 million when compared to January last year but was 41.7 percent (or \$39.4 million) lower than the previous month reflecting a return to normal levels after the festive season celebrations.

The boost in remittances over the year was accounted for by increases in funds received from Australia (up by \$5.5 million), New Zealand (up by \$4.9 million), USA (up by \$1.3 million) and American Samoa (up by \$0.5 million) respectively. In terms of recipients, gains were recorded for 'Non-profit institution serving households' (NPISH)³, 'Hand-carried cash' and 'In kind' transfers were up by \$11.8 million, \$3.7 million and \$0.4 million in that order.

In the first seven months of FY2022/23, total inflow of remittances were 20.5 percent (or \$86.9 million) higher at \$511.3 million over the same period in FY2021/2022. Accounting for this increase in the first seven months were higher transfers from Australia (up by \$35.7 million), New Zealand (up by \$32.6 million), USA (up by \$13.3 million), American Samoa (up by \$2.7 million) and 'Others' (up by \$2.6 million). This increase was partially aided by a depreciation of the Samoan Tala against the US dollar (by 5.5 percent). As for recipients, total funds for 'Family and households', 'NPISH'

¹ Samoa re-opened its border to international travelers on 1st August 2022.

² Including July 2022 where Samoa was still in lockdown.

³ Includes funds for churches, non-profit organizations and charities.

VISITOR EARNINGS & REMITTANCES REPORT

January 2023

and 'Hand-carried cash' increased by \$58.8 million, \$31.2 million and \$1.4 million respectively.

The monthly share of total remittances received through Money Transfer Operators (MTOs) went up to 91.3 percent from 80.5 percent when compared to the same month last year. However, funds received through commercial banks dropped to 8.7 percent from 19.5 percent in January last year.

The average monthly cost of sending NZD\$200.00 to Samoa contracted to 7.32 percent of total funds from 8.40 percent in January 2022 while the average cost of sending AUD\$200.00 to Samoa edged up to 7.27 percent from 6.01 percent over the year.

<u>CENTRAL BANK OF SAMOA</u> <u>13th March 2023</u>
