# VISITOR EARNINGS & REMITTANCES REPORT APRIL 2022

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.10: 2021/22

*April 2022* 

### Visitor Arrivals

As the closure of Samoa's international borders continues except for scheduled repatriation flights for only returning Samoan citizens, both tourist arrivals and their earnings remained at zero for the month under review.

### Remittances

Total inflow of remittances jumped by 32.7 percent (or \$14.2 million) to \$57.5 million over the year and was 4.9 percent (or \$2.7 million) higher than the previous month.

Despite the adverse effects of COVID-19 on Samoa's main source markets for remittances, this substantial hike over the same month last year were due to gains in transfers from all its main markets; Australia (up by \$8.9 million), New Zealand (up by \$4.1 million), American Samoa (up by \$0.7 million), United States (up by \$0.4 million) and 'Others' (up by \$0.04 million) respectively. In terms of recipients, increased funds were recorded for 'family and households', 'In kind' and 'hand-carried cash' by \$17.2 million, \$0.2 million and \$0.1 million in that order.

As a result, the total inflow of remittances in the first ten months of FY2021/22 was 17.8 percent (or \$89.1 million to \$590.9 million) higher than the same period last year. Underpinning this increase were

improvements in funds from Australia, New Zealand, United States and American Samoa by \$52.6 million, \$27.6 million, \$12.8 million and \$2.2 million in that order. In terms of recipients, gains were recorded for 'Family and households transfers' (by \$101.2 million) and 'In Kind transfers' (by \$2.8 million).

The monthly share of total remittances inflows received directly through Money Transfers Operators (MTO's) fell to 84.1 percent from 92.5 percent in April 2021, whereas funds received directly through commercial banks improved to 15.9 percent from 7.5 percent in the same month last year.

The average monthly cost of sending NZD\$200.00 to Samoa was around 8.13 percent of total funds whereas the average cost of sending AUD\$200.00 to Samoa was around 5.97 percent of total funds.

CENTRAL BANK OF SAMOA 6 June 2022
