PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT MAY 2022

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.11: 2021/22

May 2022

Visitor Arrivals

The ongoing closure of Samoa's international borders for the purpose of safeguarding and protecting of its people from the deadly Covid-19 pandemic permitting only scheduled repatriation flights for returning citizens has continued to adversely affect the tourism industry. On that account, both monthly tourist arrivals and earnings continue to remain at zero.

Remittances

Total inflow of remittances recorded an increase of 24.5 percent (or \$13.1 million) to \$66.4 million over the same month last year and was 15.4 percent (or \$8.9 million) higher than the previous month due to the seasonal hike for Mother's Day celebrations and national lockdowns to curb the community spread of COVID-19.

The increase in the remittances over the same month last year was accounted for by higher funds received from Australia (up by \$10.9 million), New Zealand (up by \$3.7 million) and 'Others' (up by \$3.5 million). By recipient, increases were recorded for 'family and households', 'hand-carried cash', 'Inkind' and 'Others' by \$13.5 million, \$1.9 million, \$0.1 million and \$0.02 million in that order.

Similarly, total inflow of remittances in the first eleven months of FY2021/22 jumped by 18.4

percent (or \$102.2 million) to \$657.3 million over the same period of 2020/21. Largely responsible for the overall expansion in the first eleven months were higher transfers from Australia (up by \$63.6 million) and New Zealand (up by \$31.3 million). By recipient, total funds for 'family and households', 'In Kind' and 'hand-carried cash' all rose by \$114.7 million, \$2.9 million and \$0.7 million respectively.

The monthly share of total remittances inflows received directly through Money Transfers Operators (MTO's) in May 2022, contracted to 83.3 percent from 86.4 percent in May 2021, whilst funds received directly through commercial banks rose to 16.7 percent from 13.6 percent for the same month last year.

The average monthly cost of sending NZD\$200.00 to Samoa was around 9.74 percent of total funds while the average cost of sending AUD\$200.00 to Samoa was around 6.89 percent of total funds.

CENTRAL BANK OF SAMOA 4th July 2022
