PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT SEPTEMBER 2021

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.3: 2021/22

September 2021

Visitor Arrivals

The prolonged closure of Samoa's international borders for the eighteenth consecutive month for the safeguarding and protection of its people from the deadly Covid-19 pandemic, with the exception of repatriation flights for returning Samoan citizens only. This has continued to adversely affect the tourism industry and its related activities with no tourist arrivals and earnings recorded to date.

Remittances

Total remittances for the month recorded an increase of 6.0 percent (or \$3.0 million) to \$53.5 million when compared to the same month last year, but was 7.1 percent (or \$4.1 million) lower than the previous month.

This improvement over the year was accounted for by increases in funds received from Australia (up by \$3.2 million), New Zealand (up by \$1.7 million) and USA (up by \$0.5 million). In terms of recipients, increased funds were recorded for 'Family and Households' and 'In Kind', by \$6.6 million and \$0.1 million respectively.

In the first three months of financial year (FY) 2021/22, total remittances increased by 1.5 percent (or \$2.5 million) to \$164.4 million over the same period of 2020/21. Accounting for this increase were gains in transfers from USA, New Zealand, Australia and American Samoa by \$3.5 million, \$2.2

million, \$0.8 million and \$0.5 million in that order. Partially responsible for this increase was the appreciation of the Samoan Tala against both US dollar (by 0.5 percent) and Australian dollar (by 0.2 percent) over last year. By recipients, total funds for 'Family and Households', 'In Kind' and 'Hand carried cash' all grew by \$9.3 million, \$2.5 million and \$0.7 million respectively.

The monthly share of total remittances inflows received directly through Money Transfers operators (MTO's) narrowed to 83.4 percent from 89.9 percent in September 2020 while those received directly through commercial banks edged up to 16.6 percent from 10.1 percent in the same month last year.

The average monthly cost of sending NZD\$200.00 to Samoa fell to 7.67 percent from 9.64 percent in September 2020 whereas the average cost of sending AUD\$200.00 to Samoa also decreased to 5.96 percent from 8.81 percent over the year.

CENTRAL BANK OF SAMOA 01st November 2021
