VISITOR EARNINGS & REMITTANCES REPORT APRIL 2024

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.10: 2023/24 April 2024

Visitor Arrivals¹

Total visitor arrivals for the month under review increased further by 12.5 percent (or 1,402 visitors) to 12,644 visitors over the previous month but was 7.8 percent (or 1,076 visitors) lower than the same month of last year.

The growth in the current month reflected several annual local events and meetings such as the Easter holidays, ANZAC day celebrations, the Samoa Tourism Exchange conference and the World Rugby Pacific Cup Challenge tournament.

Accounting for the rise in visitor arrivals were hikes in visitors from American Samoa (up by 20.7 percent), New Zealand (by 18.8 percent), Australia (by 14.7 percent) and "Other countries" (by 6.2 percent). For arrivals by purpose, bulk of this growth came from those who were here for 'Sports', 'Holiday', 'Visiting Families and Friends' and 'Others' by 264.0 percent, 24.8 percent, 9.9 percent and 7.3 percent.

¹ Samoa re-opened its border to international travelers on 1st August 2022. Cruise ship tourists are not counted as tourist as they are only in Samoa for a day but their spending is included as part of tourism earnings.

Likewise, total visitor receipts expanded by 12.9 percent (or \$5.3 million) to \$46.7 million over the previous month but was 4.3 percent (or \$2.1 million) lower than the same month of 2023. Primarily responsible for this increase over March 2024 were higher earnings from New Zealand (up \$4.4 million), Australia (up \$1.5 million) and American Samoa and 'Others' (both up by \$1.1 million). Proceeds from visitors such as 'Holiday', 'Visiting Friends and Relatives' and 'Sport' went up by \$3.3 million, \$3.1 million and \$0.4 million respectively.

Additionally, total arrivals in the first ten months of FY2023/24 totalled 145,407 visitors, which was 60.0 percent (or 54,492 visitors) higher than the same period of FY2022/23. Also, total visitor earnings amounted to \$507.7 million, which was 68.1 percent (or \$205.6 million) higher than in the same period of 2023.

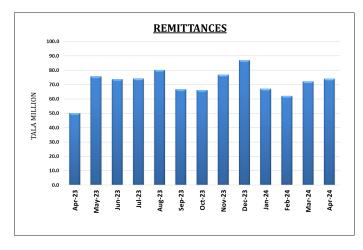

Remittances

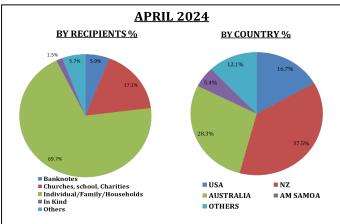

Total monthly remittances continued to accelerate by 4.1 percent (or \$3.0 million) to \$75.2 million over March 2024 and was 50.4 percent (or \$25.2 million) higher when compared to the same level of the same month last year.

The boost in remittances over the previous month reflected the increases in funds received from 'Other countries' (up \$2.1 million) and USA (up \$0.4 million), offsetting reductions from New Zealand, Australia and American Samoa. By recipients, gains were recorded for 'Non-profit institutions serving households' (NPISH)², 'Others', 'In-Kind' and 'Hand-carried cash' by \$6.1 million, \$3.1 million, \$1.0 million and 0.1 million in that order.

² Includes funds for churches, non-profit organizations and charities

VISITOR EARNINGS & REMITTANCES REPORT

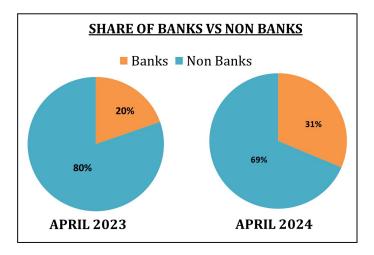

As a result, the total inflow of remittances in the **first ten months of FY2023/24** rose further by **6.6 percent (or \$45.2 million) to \$727.9 million** over the corresponding period of last year. Underpinning this improvement were higher transfers from USA (by \$29.1 million), 'Other countries' (by \$20.5 million) and Australia (by \$2.3 million). Partially contributing to this increase was a depreciation of the Samoan Tala against the US dollar (by 1.0 percent). Moreover, total funds for 'NPISH', 'Hand carried cash' and 'In-Kind' went up by \$38.7 million and \$7.3 million and \$0.2 million respectively.

The monthly share of total remittances received through Money Transfer Operators (MTO's) contracted to 68.6 percent in April 2024 from 80.4

percent in April 2023 while funds received through commercial banks hiked up to 31.4 percent from 19.6 percent in April 2023.

The average monthly cost of sending NZD\$200.00 to Samoa edged up to 8.53 percent from 7.17 percent in April 2023. Similarly, the average cost of sending AUD\$200.00 to Samoa rose to 7.48 percent from 6.89 percent of the same month last year.

CENTRAL BANK OF SAMOA 7th June 2024
