PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT AUGUST 2024

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.2: 2024/25 August 2024

Visitor Arrivals¹

Total number of visitor arrivals for the month of August 2024 fell by **9.4 percent (or 1,791 visitors)** to **17,248 visitors** when compared to the previous month. However, it was 4.7 percent (or 777 visitors) higher than the same month of 2023.

The seasonal drop in visitor arrivals in the month under review reflected a return to normal levels following the large increase of visitors in the previous month which included events such as annual church conferences, sporting events and school alumni celebrations.

The monthly analysis on visitor arrivals by country, saw a significant decline in numbers from New Zealand (down by 1,675 visitors), Australia (by 556 visitors), American Samoa (by 97 visitors) and Europe (by 50 visitors). By purpose of visit, decreases were recorded for visitors who were here for 'Other purposes' (by 1,465 visitors), 'Visiting Families and Friends' (by 249 visitors), 'Business and conference' (by 219 visitors) and 'Sports' (by 19 visitors).

Despite the drop in visitor arrivals for the month under review, total visitor receipts rose further by 2.2 percent (or \$1.3 million) to \$58.2 million from the previous month. This was mainly due to a seasonal hike of 12.8 percent in the average visitor spending in August 2024. When compared to August 2023, total visitor earnings were also 4.8 percent (or \$2.6 million) higher. By source market, expansions were recorded for Australia (up by \$2.5

million) and Europe (up by \$0.3 million). Gains were noted in proceeds from visitors who were here for 'Holiday' and 'Business and conference' by \$4.0 million and \$1.1 million respectively. (See Graph 1)

For the first two months of FY2024/25, total earnings were 6.7 percent higher at \$115.1 million, when compared to that of the same period of last year.

Remittances

Total monthly remittances jumped by 12.7 percent (or \$10.3 million) to \$91.2 million in August 2024 and was 13.7 percent (or \$11.0 million) higher when compared to August of last year. (See Graph 2)

This increase over the previous month was driven by higher funds received from all main markets, namely 'Other Countries' (up by \$5.2 million), Australia (up by \$2.0 million), New Zealand (by \$1.5 million), USA (by \$1.0 million) and American Samoa (by \$0.5 million). By recipients, increased inflow of personal transfers were recorded for 'Non-profit institutions serving households (NPISH)', 'Family

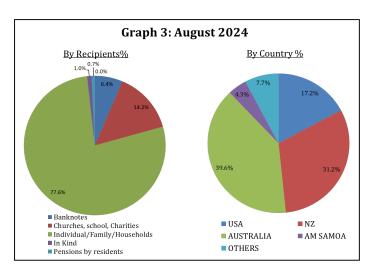

¹ Samoa re-opened its border to international travelers on 1st August 2022. Cruise ship tourists are not counted as tourist as they are only in Samoa for a day but their spending are included as part of tourism earnings.

VISITOR EARNINGS & REMITTANCES REPORT

and households' by \$8.1 million and \$6.2 million respectively. 'Hand-carried cash' and 'In kind' remittances also expanded by \$1.2 million and \$0.1 million in that order. (See Graph 3)

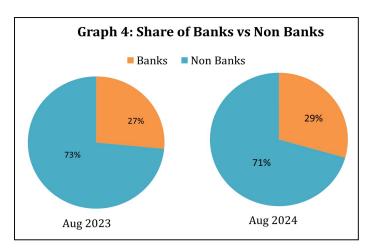

The total inflow of remittances in the first 2 months of FY2024/25 were 11.5 percent (or \$17.7 million) higher at \$172.2 million over the same period of the previous fiscal year. Responsible for this growth were higher inflows from Australia (by \$8.1 million), 'Other countries' (up by \$4.5 million), New Zealand (up by \$3.4 million) and 'USA' (by \$1.8 million). This was partially assisted by a depreciation of the Samoan Tala against the US and Australian dollar by 0.1 percent and 0.8 percent respectively. Similarly, total funds for 'NPISH', 'Others', 'Family and households' and 'Hand carried cash' went up by \$6.4 million, \$4.9 million, \$3.2 million and \$0.1 million respectively.

Aug-24 Au

The proportion of remittances received through Money Transfer Operators (MTOs) fell to 70.6 percent in August 2024, from 73.5 percent in July 2023. Conversely, funds received via commercial banks rose to 29.4 percent in August 2024, from 26.5 percent in the previous year. (See Graph 3)

According to the data obtained from Send Money Pacific², the average monthly cost of remitting NZD\$200.00 to Samoa edged up to 8.91 percent from 7.71 percent in August 2023. Similarly, the average cost of sending AUD\$200.00 to Samoa rose to 8.90 percent compared to 7.15 percent in the same month last year. (See Graph 4)
