VISITOR EARNINGS & REMITTANCES REPORT OCTOBER 2025

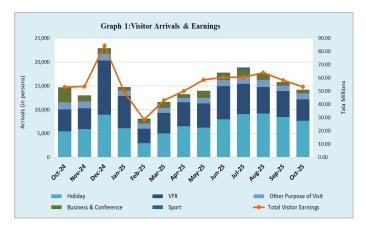

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.4: 2025/26

October 2025

Visitor Arrivals¹ and Earnings

Total number of visitor arrivals seasonally **declined** in October, down **by 9.6 percent (or 1,513 visitors)** to a total of **14,278 visitors;** recording the third consecutive month of downward trend. Likewise, total arrivals were 2.6 percent (or 380 visitors) lower when compared to the same month of last year. (See Graph 1)

The monthly decline in visitor arrivals was primarily driven by lower numbers from Australia, New Zealand, United States, 'Other countries and American Samoa by 722 visitors, 721 visitors, 84 visitors, 43 visitors and 3 visitors, respectively. In terms of travel by purpose, reductions were recorded for 'Visiting friends and relatives' (by 890 visitors), 'Holiday' (by 829 visitors) and 'Sports' (by 74 visitors).

Nevertheless, total visitor arrivals in the first four months of FY2025/26 totalled 66,422 visitors, an increase of 1.4 percent (or 941 visitors) compared to the same period last year.

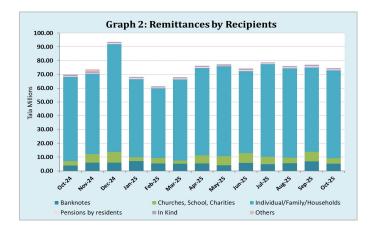

Similarly, total visitor receipts for the month under review fell by **7.9 percent (or \$4.6 million)** to a total of **\$53.8 million** but was 0.2 percent (or \$0.1 million) higher than October 2024. The average visitor's expenditure decreased by 1.4 percent over the previous month.

The monthly decline in visitor earnings was mainly due to lower earnings from all major markets like United States (down by \$2.9 million), New Zealand (by \$1.7 million), American Samoa (by \$0.3 million), Australia (by \$0.1 million) and 'Other countries' (by \$0.09 million). Similarly, earnings from visitors who were here for 'Holiday' 'Sports' and 'Visiting friends and relatives' fell by \$7.8 million, \$0.4 million and \$0.01 million respectively.

For the first four months of fiscal year FY2025/26, total visitor earnings reached a total of \$235.9 million, rose by 7.5 percent (or \$16.5 million) compared to the same period in FY2024/25.

Remittances

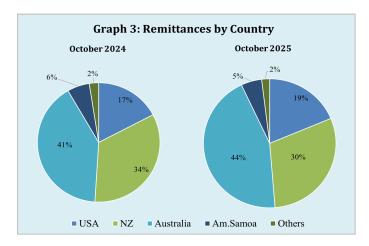

Total monthly remittances declined by 3.3 percent (or \$2.5 million) to a total of \$74.5 million in October 2025. However, compared to the same month last year, total remittances were 6.3 percent (or \$4.4 million) higher. (See Graph 2)

¹ Samoa re-opened its border to international travelers on 1st August 2022. Cruise ship tourists are not counted as tourist as they are only in Samoa for less than a day but their spending are included as part of tourism earnings (travel credit).

VISITOR EARNINGS & REMITTANCES REPORT

The drop in remittances from the previous month was mainly due to lower transfers from New Zealand (down by \$4.9 million) and 'Other countries' (by \$0.1 million). In terms of recipients, the contraction reflected reduced transfers to Non-profit institutions serving households (NPISH)² (down by \$2.9 million), 'Hand carried cash' (down by \$1.8 million) and 'In kind' (down by \$0.2 million). Additionally, both 'pensions by residents' and 'others' fell by \$0.1 million each. (See Graph 3)

As a result, total current transfers for the first four months of FY2025/26 declined by 1.4 percent (or \$4.3 million), to a total of \$306.1 million compared to the same period in FY2024/25.

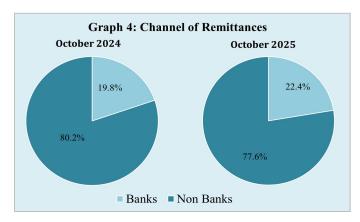

This decline was mainly due to lower transfers from source markets such as 'Other countries (down by \$4.2 million), the United States (down by \$1.8 million) and American Samoa (by \$0.7 million). By purpose, transfers for 'Other purposes', 'NPISH' and 'In kind' fell by \$5.5 million, \$3.9 million and \$0.3 million respectively.

In terms of remittance channels, the share of funds received through Money Transfer Operators (MTO's) ³ rose to 77.6 percent from 71.9 percent in September 2025 but remained below 80.2 percent in October 2024. Conversely, remittances via commercial banks fell to 22.4 percent compared to

28.1 percent in the previous month and 19.8 percent a year earlier.

Overall, non-bank channels remained the dominant channel, with traditional MTO transfers accounting for majority of inflows at 73.8 percent, up from 68.5 percent in the previous month but below 77.5 percent in October 2024. Meanwhile, electronic MTO transfers (online platforms and mobile wallets) contributed 3.8 percent, slightly above September 2025 and higher than 2.7 percent in October 2024. (See Graph 4)

According to the data obtained from Send Money Pacific⁴, the average cost of sending NZD\$200 to Samoa dropped to 5.52 percent of total funds, down from 7.28 percent in September 2025 and below 7.55 percent a year earlier. Similarly, sending AUD\$200 to Samoa costs around 5.71 percent lower than 6.14 percent last month and 8.29 percent last year. These levels remain well above the 3.0 percent UN Sustainable Development Goal (SDG) target for the reduction of remittance costs by 2030.

CENTRAL BANK OF SAMOA 15 December 2025

² Includes funds for churches, non-profit organizations and charities.

³ Includes telecommunication companies – mobile money service providers.
